On 25th May 2018, a new Data Protection law comes into force which will affect the way we, the Latin Mass Society, interact with you, its members.

Under this law, known as the General Data Protection Regulation (GDPR), if we do not have your explicit permission to contact you by email, post or by telephone (but preferably all three), you will not receive ANY communication from us about anything, **INCLUDING NOT RECEIVING YOUR COPY OF MASS OF AGES OR NOTIFICATION OF MEMBERSHIP RENEWAL.**

PLEASE NOTE, THIS REQUIRES YOUR IMMEDIATE ATTENTION.

You may at any time contact us to request a copy of what information we hold about you. The information we do hold is kept secure at all times and you can change what information we hold by notifying us. The law requires us to safeguard your privacy and that is why we have reviewed our procedures and practices in accordance with the requirements of GDPR, but also to ensure our records are as complete and as accurate as they can be.

We do not pass on your information to other parties for anything other than a good reason, such as enabling our Local Representatives to keep you informed of local or national events, giving your name and address to our printers so that you can receive your copy of *Mass of Ages* or with our bankers and/or accountants for keeping such records as are required by law. If you use Gift Aid to donate to us, we are required to share your details with HM Revenue and Customs. The Latin Mass Society is committed to protecting the privacy of our members and supporters. How we do this can be found in our Privacy Policy, available on our website.

To enable us to continue to maintain contact with you after 25th May, we need your permission to do so. Please complete the slip below and send it (using the pre-paid envelope) to our Macklin Street Office. If you have Joint Membership, **BOTH** members should sign the form. Thanking you in advance for your cooperation.

Yours sincerely,

Kevin Jones, Secretary
